Photo & Video Release Form: Pets & Clients

Zoot Pet Hospital & Luxury Boarding maintains an internet presence via our website, Facebook, Instagram, etc. and public relations via flyers, mailings, and other types of correspondence.

Our presence is for purposes including marketing and client education. Part of this presence includes posting and disseminating photos or videos of our practice and its daily workings. Therefore, ***we may be interested in using images of your pet(s) and/or family*** as part of the effort to maintain, expand, and educate the public about our business and services. We would refer to pets and people pictured by ***first name only, if at all.***

Please let us know how we may use/post photos or videos of your pet(s) and/or family (mark selection below):

Any pictures/videos with family members will only be posted if approval is given for specific photo/video

- Zoot has my permission to use or post photos/videos of my pet(s) and/or family
- Zoot has my permission to use or post photos/videos of my pet(s) and/or adult (18+ years old) family members ONLY
- Zoot has my permission to use or post photos/videos of my pet(s) ONLY
